# The Lac Ste. Anne Historical Society Scholarship

The Lac Ste. Anne Historical Society was formed in 1959. Their mandate has been to "Collect, Preserve, Research, and Exhibit our Heritage through the Pioneer Museum, associated buildings and grounds located at Rochfort Bridge".

The Lac Ste Anne Historical Society members operate the Pioneer Museum located at Rochfort Bridge, AB. Until the Founder and the Foundation agree otherwise, the Criteria for selection of Students to receive Awards are as follows:

1. **In order to be considered for an Award, a Student must be a resident of Lac Ste Anne County.**
2. The highest priority will be given to Students entering post-secondary education in the field of **education** or in a field related to **agriculture or medicine**.
3. Without limiting the generality of paragraph 2 of this Attachment "B" it is not contemplated that a Student's full financial information must be reviewed by the Awards Committee. Instead the Advisory Committee will identify a method to assist it to understand how an Award will assist the Student to overcome barriers to pursuing the proposed course of study.
4. For greater clarity, the fact that a Student receives other bursaries, scholarships or awards does not prevent the Student from benefiting from an Award, but may affect the amount of the Award or may affect the comparison of that Student's financial need to another Student's financial need.
5. The process for identifying Students that meet the criteria, will be determined by the Advisory Committee formed in accordance with this agreement and having regard for the criteria noted in this or any replacement Attachment "B".
6. The Foundation will assist the Advisory Committee with developing and evaluating criteria for identifying financial need.
